BELLA & KIMBERLY

As the camera shutter fired, we relaxed outside and felt our passions rise. What else could we do? Her fingers got busy as they roamed over my body. My pussy needed attention and she responded so well. I was so hot and my pussy needed to be filled. I wanted her mouth, her long tongue on my pussy. I wanted her to fuck me with that hard dildo in my ass. And after she did, all was good again.

INTIMATE THOUGHTS AND XXX ADVICE

My wife Farrah and I, admittedly, are a little wild. We've been swingers for five years and have enjoyed almost every minute of it. When I say almost it's because it's gotten a little stale lately. Until last month.

That's when we received an invitation to a new swinger's party. Most swinger's have to be invited by others and that's what happened here with one of our swinging partners. This group met at a large mansion in Pasadena near L.A. For those that don't know, Pasadena was, and maybe still is, one of the elite sections of the city where many movie stars lived. Apparently this house belonged to one of the most famous actors of the 40s and 50s.

The beautifully printed invitation announced a Hollywood themed gathering, so I was going as my mid-20th century favorite, Clark Gable and my wife channeled blonde bombshell Jean Harlow. When we arrived, everyone looked like a yearbook of who's who. We were confronted with a menagerie of familiar faces, well, almost familiar in that everyone tried to look like the movie star they were emulating, us included.

We were in a large room with a stage about thirty feet wide, with cocktail tables and several overstuffed sofas surrounding it. We found a table near the stage wondering what was going to happen. Looking around the room we saw 'Bogie and Bacall, Mae West and Valentino,' and so many more. Being L.A., the clothes

and make ups were incredible. Right at midnight the room's lights dimmed and spotlights lit the stage curtain. A moment later 'Bob Hope' came out and tried to crack a few lame jokes and then introduces the first act, 'Raquel Welch.'

The curtain opens and there is a small set that looks like a cave opening with a fake fire and some large styrofoam rocks all around. The background music helps set the scene as she comes out. She is a gorgeous, tanned, leggy woman, stunningly beautiful, and damn if she doesn't look just like 'Raquel' in that famous fur bikini from One Million Years B.C. A loud growl is heard off stage and she looks around, somewhat frightened when a hunky caveman jumps out to capture her, then another, and another. She puts up a choreographed struggle and they ultimately subdue her.

One hunk got behind her and pulled down her bottoms and the other hunk went down on her. Then the guy behind pulls off her bikini top, but covers full boobs with his hands hiding them. She 'struggles' a bit and his hands grab her wild hair exposing her amazing breasts to the wildly applauding audience. Suddenly this has

become more interesting. (Everyone had always wanted to see 'Raquel's' breasts, but I never thought there would have ever been a chance of that happening.) 'Raquel' the sultry cave girl, made animalistic grunting noises, went down on her knees with her back to us, and mumbled, "Here, come here," to the cavemen and pulled their loincloths off and immediately started sucking their prehistoric cocks.

Both men had raging hard-ons, and her sensuous mouth was giving tongue kisses all around their shafts and heads. Her left hand moved to one man's balls and then the other's caressing them as her lips started sucking harder. The threesome turned more sideways so we could see them better and it didn't take long until her mouth was driving the men 'crazy' as they jumped around, caveman-style. She stood up and her beautiful boobs were bouncing in the rhythm with their motions and making more grunting sounds. The men grunted, too and soon had her on her knees again, doggy-style this time, with one getting a bj in front and the other fucking her from behind.

This was quite a scene and the audience applauded with every sexual grunt and groan. Raquel started sucking faster and was getting fucked harder and faster when suddenly a third caveman jumped on stage.

He 'hits' the guy getting blown who lands on one of the rocks. He pushes the other guy off and pulls 'Raquel' up by her hair.

He 'slaps' her and she lands on the guy on the rock who grabs her boobs holding her there. The third guy caveman-walks over and spreads her legs and starts to eat her out. The guy holding her manages to slowly stick his cock in her ass and the guy eating her rips off his loincloth and sticks his cock in her pussy for a prehistoric dp. Not wanting to be left out, the other caveman goes over to them and offers up his cock to her mouth. The three go at it for another twenty minutes in different positions and we applaud after every change.

By now, the cavemen were getting close to cumming and make louder grunting noises. First, it's the guy fucking her pussy spurting on her stomach and chest. A moment later the guy she was blowing explodes in her mouth and cheek, then backs away leaving only the butt-fucking caveman. 'Raquel' leans forward and puts her hands on her knees and starts twerking her ass on his cock. She lets out a couple wild screams and howls as she cums, then gets off the cock and finished him off with a hand job, squirting on her ample chest.

'Raquel' steps to the front of the stage, scans the audience and rubs the remaining cum all over her chest and stomach. She then turns around and bends over to pick up her tossed bikini giving us one last view of her marvelous ass and wet pink pussy. Exit stage left.

The curtain closes and 'Bob Hope' comes back out dressed in fatigues and carrying a golf club. He thanks the actors, cracks a few more jokes, and introduces the next act to come on after a fifteen minute intermission to change the set on stage. The room lights come up and we refocus our attention to the audience. A bit surprised, I see women on their knees blowing their partners. Lots of exposed breasts throughout the room that must have been getting rubbed during the last show, and there was a little threeway going on in one of the sofas on the side.

Soon, my wife and I were approached by 'James Bond and Pussy Galore' who asked to join us. We agreed immediately sensed sexual chemistry between the four of us. Maybe it was the costumes or the residual effects for the stage act we just witnessed. We talked for a few more minutes before 'Bob' came back on in front of the curtain to announce the next act.

"Ladies and Sperms..." he starts, please welcome 'Cleopatra.'" We all sat in silence as the curtain opened Egyptian queen manifested herself from behind a wall of appropriately skimpy dressed hand maidens. The 'Elizabeth Taylor' looking lady was stunningly made up like the famous queen. Beautiful purple eyes, stark

black hair and a head dress to make Tut envious. Her hand maidens wore similar hair and had scarab chest plates from the neck to a few inches above their bared breasts. How they found six nymphs with almost perfect breasts on each one, is a wonder unto itself. Long white gowns, bare from the hips up, had a long piece come up from the waist and connect between bare breasts to the chest plate.

Suddenly a trumpet fanfare quietly blasts from back stage and 'Marc Antony' enters stage right followed by half-a-dozen aptly dressed centurions. After some corny dialog, 'Cleopatra' takes her gown off revealing perfect nipples on perfect breasts. She's left in a g-string with a scarab embellishment covering her pussy slit. Matching sandals complete the look. She goes over to Marc, takes off his helmet, and unwraps his lappet (kilt) revealing a semi-hard cock underneath. She side-hugs him, cock in hand, stroking him to rigidity. Marc's body began to shake from the marvelous hand job her was getting.

It was obvious he would not last long but 'Cleopa-

tra' did her best to make him retain his excitement without cumming for a while yet. Her pink lips were alternating their rhythm and tension, and she was constantly keeping eye contact with him. Suddenly, Marc forced her head down and shouted out loud as he fired his jizz into her mouth. It must have been a big and eye-widening load, but 'Cleopatra' kept on swallowing. The first centurion was already in position waiting his turn and 'Cleopatra' moved to take care of him. After he had finished emptying his balls with a few last twitches of his hips, the other stiff soldiers followed, one after another as all six did their part for the empire.

Every time when a centurion came, the insatiable queen's black-nailed fingers immediately started fondling and stroking their hairy balls, making sure each would shoot absolutely everything they had. The last centurion, a big, brawny hunk of a man seemed to have a bit of a hard time cumming so she had to deepthroat him so hard her boobs were bouncing vigorously. Her hands clawed into his butt cheeks and her tongue came out to meet his balls as they slapped against her chin. She made a muffled sound when she suddenly found herself gagging on the man's semen, but she handled it very well and just started bobbing her head faster until he came. She had sucked every man to the finish and swallowed everything.

During the last two soldier's scene on stage, my wife had unzipped my pants and pulled my cock out. 'Pussy Galore' saw this and did the same to her date, but then pushed him closer to 'Jean' who took his cock in her other hand. 'Pussy' came behind me and pulled out my wife's boobs out of her flapper dress and started sucking on her nipples. As she rubbed my wife's boobs, she noticed a sofa that was empty. She told to go over and she laid on it on her back. 'Bond' began fucking her, and his hands were constantly moving and touching her ass and hips and breasts.

She motioned me to join in and I did. Her back arched, and 'Bond' and I were alternating our rhythm, him thrusting at the same time as I was fucking her mouth. We all started groaning louder and louder until she had the biggest orgasm I had ever seen. 'Bond' too came and literally shouted and drove his hips with all his strength while tightly holding on to 'Pussy's' hips. I drove my cock deep into her mouth and my balls tightened as they fired all of their contents into her hot mouth.

My wife watched this and was playing with herself to climax when 'Bond' went over to her sitting on the sofa arm, and replaced her hand with his mouth. He licked her to climax as 'Pussy' and I watched. The images were surreal as my wife came again and again. Soon afterwards the lights dimmed again and 'Bob' came back out. The show must go on.

I've been dying to have some new photos taken for my social media page and my friend has agreed to take them. After some wonderful head shots, I asked him to take some nudes of me, too. He told me the headshots were for free, but the nudes would have to be paid for. I couldn't wait to get naked!

*Wonder what
he tastes like?*

The CDC has spent time and money to figure that there were almost one million divorces last year. They do not say how many were caused by cheating spouses or which sex cheated more. Let's explore it here.

Why do our men cheat on us? That's a very difficult question to answer. There could be many reasons, but most probably the number one answer is lack of good sex. No matter how you phrase it, men want sex and, from my experience, they don't care who they have it with as long as they get it. And the one sex act that men like the most is a blow job. There is very little for them to do except sit back and let the woman do all the work. So, I don't believe that the 'other woman' is a better lover than me. I think she's willing to do what his wife probably won't do or has stopped doing.

You can keep your man by just sucking his dick. How much more blunt can I be. No matter how long you've been married or how often you have intercourse, a blow job keeps him satisfied and keeps him home. Think about it: if your husband knows that he's going to get head several times, or even a few times a week, and it's from a ready and willing source, his wife, why would he spend energy to go find it elsewhere when it's right there in

front of him. He won't. He'll look forward to it from you. The only thing you have to do is keep it fresh. Don't do the same thing every time. Vary the place and duration. Add a new twist every now and then. Make the blow job the total act of sex, then let him relax. I don't believe any man will work at getting sex if it's readily available to him. Remember, the act can be accomplished in less than a half hour, usually less, Now that isn't much time to spend to save your marriage. You spend more time getting your nails done.

But how do you keep it fresh? How can you make it an event he'll look forward to? The simplest answer is to think about it and formulate a plan. You know his schedule. Analyze the best time. After he comes home from work, in the middle of the night, driving across town, in the backyard, in the kitchen, at some public place. The possibilities are endless. But I have found that after a good dinner and you two are sitting back, pop in a porn movie, or a sexy movie if you're not into porn, and be sure

he's comfortable.

I'm not a housewife, I'm a working woman and yet I know how important it is to find time for him, for this. Keep in mind, just as pure entertainment: it doesn't cost anything, it can last from fifteen minutes to hours, you control that. Some times it will lead to intercourse, but most likely, he'll cum and you're done. And above all it's fun.

One of the most important aspects of the blow job is his anticipation. If you're doing it regularly, he'll want it more and more. He'll be hot and ready if he knows he's going to get some. He'll rush home from work. He'll keep his body and his privates clean. He'll probably 'reward' you in some manner, with gifts perhaps. But there is one thing you should do for yourself before you start a blow job regiment: decide if you're going to spit, swallow or take it on your body. Most guys will want you to swallow and it's really not that bad, but if you're uncomfortable with that, work it out with him. If you're going to be sucking your husband's cock then surely you should be able to work that out. It makes for a nice, comfortable conclusion to the act that you're both okay with.

Now I'm going to describe a scenario with my husband. Personally, we were on the verge of a divorce and sex had quite a bit to do with it. Without getting into details, the solution we came up with,

talking to each other as adults, because that's what we are, was to have more oral sex. For both of us. The biggest reason in our discussion was that it was quick and usually fulfilling. Women can cum several times rather easily. A man, especially if he's older, is usually only good for one climax. We were also both working people and our time was taken up by work or sleep. We were often too tired for full blown sex sessions, but hand jobs and blow jobs can be done rather easily and/or quickly. Please don't misunderstand, I'm not saying this should replace intercourse or sex, but if your relationship is falling apart or he's thinking of cheating, this may be the answer.

We had finished Chinese take-out for dinner after another busy day for both of us. We were three weeks into trying to avoid a separation and it's been getting easier and easier to give my husband oral sex. We've increased the frequency to every other day for him and every few days for me as time allows and the mood hits. We ate in the living room watching the evening news. I took the empty take-out boxes to the kitchen and told him to go freshen up.

When I got back, he was already on the sofa waiting for me. The TV show had changed to something loud and I took the remote and turned it down a little. I didn't mind if he watched TV while I was blowing him. I sat next to him and laid my head on his shoulder with his arm outstretched on the top sofa cushions. This is the perfect position to start with. You can kiss,, you can rub his chest, buttons and zippers are easy to get at, and you're not in the way of the TV.

I started by just running my hand up and down his leg, not too long, just enough to build anticipation. I'd occasionally touch his cock through his pants until I sensed he was hardening. That's when I knew that his pants had to come off. Men do not like their hard cock confined inside pants, or even underwear. He unzipped his pants, allowing his hard cock to release into my hand. His eyes closed and I reached down to pull his pants lower. I paused for a moment, I stroked him gently, occasionally squeezing tighter, sometimes faster. Mostly I just worked slowly. Up and down, turning my hand, enjoying the feeling of his hard cock in my hand. I unbuttoned his shirt with my free hand and found his nipple for a good pinch, I felt him

tense slightly at this, another good sign.

I moved my head lower over his lap. I puckered my lips, kissing the head of his cock a few times before licking my lips and engulfing it. I rolled my tongue around the head for several minutes, releasing my lips and then resucking with them. I then started licking up and down the underside of his cock, looking up at him. When I sensed the right moment, I got up, stood in front of him and stripped myself naked as he watched. Of course my pussy was wet and I stuck a finger in and brought it up to my mouth and licked it. I bent down and finished pulling his pants off and then dropped to my knees and crawled the few feet to his manhood. Nothing in the world gets a man more excited than a woman inching her way to his cock and balls on her knees. Nothing!

I let my breasts brush against his thighs as I crawl closer, outstretching my arms ahead of me and rubbing his thighs and then his hips. Sometimes I'll make eye contact, sometimes I'll look intently at his cock and balls. I reach his privates and pull the head of his cock into my mouth without using my hands. I licked around the head, flicking my tongue across the underside a few times. With my hand I held his balls carefully, and with the other I

reach up and caress his chest, pinching his nipples now and then.

I start to suck him even harder, pulling his cock deeper into my throat. I sucked, allowing my throat to do some of the hard work, swallowing a little sometimes so my throat would massage his cock as well as my tongue. As you do more of this, you'll teach yourself new tricks to cock-sucking. Don't be afraid to try anything. He'll never say no. We all know that men are visual sexual animals, Let him see you doing it. Keep your hair back. Look at him. Let him see your tongue at work.

My lips pressed against the underside of his cock, looking up at him. I licked around the head of his cock. I started to suck again, working him into my throat, my head bobbing up and down as he touched against the back of my throat. I didn't pause. I just kept sucking and enjoying the feeling of working him up. He was getting close. I wanted him to come now. I had been teasing him for almost an hour. I kept stroking his balls never once letting them go. I took his cock in my right hand, starting to massage carefully with my fingertips. I worked him down into my throat again, massaging with my tongue sucking, swallowing. He gasped and pressed my head down, pulling me up slightly by the hair. It wasn't rough, just directive. He was showing me exactly what to do this time. I felt his grip on my hair tighten. I sucked even harder. As he came, he pulled my head down on his cock. I stroked him with the tip of my tongue. He shot his load deep into my mouth. I swallowed his cum with each spurt and when he finished I licked my lips like it was the most delicious thing I ever tasted.

I laid my head on his groin next to his cock and flicked my tongue at it a few times. That's just a visual thing for him. I got off the floor and laid on my side on the sofa, resting my head on his belly. I moved my fingers down between his thigh and balls and began to play with them as we watched TV. I'd pinch and pull every so often. I was in control. From here, I can restart a fuck session, I can fall asleep, watch TV, finger his asshole. You name it. This was a medium length blow job. Longer ones involve playing with his balls and playing with his ass. Shorter ones would be just dropping down in front of him to my knees, pulling down his zipped and sucking him off intensely for ten minutes. Never fails. No matter how long you do it for, do it often and he'll never stray.

I think about having sex all the time. That's one reason I'm in this business. Sex for the camera is much different than sex for real. There is too much starting and stopping during a shoot. The director controls the pace and the acts. When in private, there should be a smooth flow to lovemaking with no one in control. It's called sharing.
